## PRESIDENTS CORNER

By Mary Burchfield

Hello Everyone,

Spring is here?? At least that is what the calendar says. This is the time of the year we clean up the accumulation of things collected during the winter. Genealogy is no exception. We collect 'things' that might be of interest. Really? Now is the time to go through your files and see just what is really important. We have had classes in the past that do just that and we will feature more in the future.

We have some great classes coming up in the next few months that will help you focus on the things that are important. Places to look that you probably have never thought about. Check out the list of upcoming classes on page 8. We have some great volunteers that are capable of helping you in your research.

At our quarterly meeting Gail Platt and Pat Healy announced that they have finished cataloging our library books. We now have over 2,347 books and periodicals. They cover just about every state and some foreign countries. We have been able to add a few books every few month by purchase and donations. For a small Genealogical Society, we have a very good selection of research materials. Come in and check us out, there is something for just about everyone. Don't forget that we have computers and WiFi for you to use.

Plans for our Salt Lake trip is still in the works and we have several people interested in going. It will be October 15-22. It is still not too late to join us, but time is getting short. You must get your reservations in NOW. Contact Pat Healy, Gail Platt or Mary Burchfield if you want to go with us.

I want to remind you that it is getting close to the time for new officers to take the helm. We have such great people, that they will do a great job! We will continue to bring you informative and interesting classes and help you with your research. It's a great time for you to dive into the mix and get involved!

In closing, I would again like to thank all the volunteers that have given of their time during the past year. They have done a great job. Thank you!

*Mary Burchfield*, GSSC President

## "My Grand-Dad, Joseph Moses (Noble) Waddell!"

Continued....

In about 1928, at a dance and mid-night dinner in Happy Camp, Joseph Noble Waddell was getting into the food for the mid-night dinner with his pocket knife to open a tine of food. A cantankerous man of past arguments with Joe, who had now become Constable, watched Joe. He spoke to Joe. Joe was hard of hearing, so he raised his hand to his ear to hear over the crowd. The hand still had the knife in it. The Constable used that as an excuse to arrest Joe for "Assault with a deadly weapon." It took at least four men to help the Constable to "Arrest" Grandpa Joe, who knew he didn't do anything wrong. He fought them.

During the night after his arrest, an accident of "Pipe Ashes" from the Constable's pipe set the mattresses on fire. The Constable and his deputy would not let rescuers open the door to get Grandpa Joe out of the burning jail. One of Joe's friends knocked out the Constable and took his keys to get Grandpa out of the fire. Joe had nearly died of smoke. For the years afterwards, he spoke in a rough voice and died of throat cancer in ten years.

In one interesting event, Grandpa Joe was helping Grandpa John Sedros, Sr. on the homestead to clean the ditches. A man named Banning was a squatter doing gold mining on the homestead. Banning decided to give Sedros a bad time. *I lived right by the old chimney of Banning's cabin.* In the argument, Banning approached Waddell and Sedros with a rifle. Sedros warned Grandpa Joe about trouble. Grandpa Joe pretended to head for his horse "Trigger" and then twirled to knock down Banning's rifle. *As I heard it, Banning was chased out of the Homestead across the saddle of his horse.* Where I lived on the homestead for 23 years, it was unceremoniously known as "Banning's Flat."

Grandpa Joe and GrandMary lived on a ranch and gold claim 9 miles north of Happy Camp, CA, up on Indian Creek. This was the place where GrandMary's grandpa has helped build the first school on Indian Creek in 1883. Benoni had sawed and donated the lumber from his sawmill on his homestead on Swearingen Creek ten miles north of Happy Camp. For many years it was know as Schoolhouse Flat in the last of the 19<sup>th</sup> century. Later, it was home to Grandpa Joe and GrandMary.

*Joe Moses Waddell  
left, Waddell Flat  
right.*

For years after that,  
it was known as  
Waddell Flat. I

have pictures of the sign...before the Forest Service took it down. Maybe they had a guilty conscience, because they kicked GrandMary and her second husband off the land in 1965. Grandpa Joe died in 1938. GrandMary married Harry Case in 1940. They argued with the Forest Service for years about their home. In about 1962, the Forest Service told them that they had the "right" to own the land, but that they had to pay for it. The Forest Service ordered them to pay for the land at the rate of \$2,000/acre for a MINIMUM of 40 acres in order to "Own" the land. Then flood-waters of 1964 washed through the land. We had to evacuate Harry and Mary by ropes during the night through the flooding water. The

land was no longer worth the fight. They could not come up with \$80,000 in 1965! This was a time when the Forest Service was showing off their muscles, and they were burning down mining cabins. They burned down Curry's cabin after Dan died...and the personal stuff like crocheted blanket, Deer-Heads, guns and an immaculate wood-range cooking stove, all disappeared! They burned down Vern Gilmore's cabin...the last building of Indian Town, CA.

The Forest Service took the land from Grandpa Harry and GrandMary Waddell-Case on the little flat where the family had been since the first school of Indian Town in 1883.

To me it will always be "Waddell Flat!!"
